## Summer Picnic

We had a great time, beautiful weather, and delicious food at our SGM picnic this year. I'm sad to say, we had low attendance. Those present were a little disappointed because they were looking forward to eating, relaxing with members, talking about their art, and learning about the work of others. It must have been a busy summer for everyone, although some of our members took the time to let me know they wouldn't be able to attend. We were thinking that next year to save costs and prevent cooking too much food, we would start to request an RSVP just to give us a better idea of who can attend. Those present, in picnic mode, were Laura Gabriel, David Mandiberg, Sophia and Oakie Myers, Rosalie Kalinin, our President, Pauline with her husband Norm Flaga, myself, and my husband, chef Marty. Fortunately, one of the nice things about a small turn-out is having a lot of time to visit with everyone. I'm looking forward to next summer, I hope you are too.

Diane, your newsletter editor.
