Our New Website

Well I hope that all of our members have had a chance to go and look at the our new Website. Our Web Master, Dave MacInnes, has worked hard to set up the new SGM site. If you haven't done so as yet, please take a few minutes to check it out now at

www.sculptorsguildofmichigan.org . It is still in transition, which is not David's fault, as I am trying to sort out the archives, years of guild news. I am still trying to update the roster of each member with a photo of their work. If you would like to choose a special photo of a specific piece of your work, you only need to send it to: davemacinnnes@comcast.net. Every member will have a picture to represent them on the site. There will be an opportunity to "rent" a page on the website, which will be designed by you with Dave's help. By clicking on the picture of your work it will send them to your individual page, if you chose to rent one.

If you visit the tab "GUILD ROSTER" which is located on the website, you can click on a link below David Lister's name "personal gallery", this will allow you to see an example of what kind of personal page you can get for an extra \$25.00 a year along with your membership dues. I think you will be amazed at the graphics that Dave MacInnes can create. Dave is offering a fantastic deal to us sculptors who need more exposure for our work but cannot afford the cost or up-keep of our own website.
